

Boost your protection against COVID-19!

COVID-19 booster doses are the best way to maintain protection against severe illness from COVID-19. **The updated boosters offer better protection against newer Omicron subvariants.**

Who?

Everyone ages **5 years and older** are eligible for a booster.

Ages 5 -11

People ages **5 years to 11 years** are recommended to receive the original Pfizer booster if they received **Pfizer as their primary series.**

When?

5 months after primary series

Ages 12+

People ages **12 years and older** are recommended to receive an **updated booster:**

- **Pfizer** Booster: ages 12+
- **Moderna** Booster: ages 18+

*Your booster does not have to be the same vaccine brand as your original COVID-19 vaccine or previous booster.

When?

2 months after primary series or last booster dose

Where?

Available through healthcare providers, clinics, and pharmacies. Visit santacruzhealth.org/coronavirusvaccine, MyTurn.ca.gov, or call 833-422-4255 for scheduling.

Don't forget your flu vaccine!
You can safely get the flu vaccine at the same time as your COVID-19 booster.

Eligible for the Monkeypox (MPX) vaccine?
